

CUSTOMIZED AIR TRANSPORT

PASSENGER

Customized Charter Passenger Service from Global Aviation

TWO GREAT AIRLINES, ONE MISSION

Global Aviation Holdings (Global) provides charter passenger service through its subsidiaries World Airways and North American Airlines. Global primarily provides service to tour operators, incentive groups, government agencies, sports teams, corporate groups, movie crews, and entertainment tours as well as international airlines.

Global's charter passenger service gives your group the flexibility to travel at your convenience with the highest level of customer service, security, and professionalism in the industry.

GLOBAL AVIATION HOLDINGS IS PROUD OF 60 YEARS OF EXCEPTIONAL PASSENGER SERVICE

CUSTOMIZED AIR TRANSPORT FOR BUSINESS OR PLEASURE

World Airways began flying passengers between New York and San Juan in 1948. Since then, Global's flights have expanded to more than 400 airports in more than 120 different countries. In addition to World Airways, Global also operates North American Airlines, founded in 1989.

With a fleet of more than 30 aircraft, including B757-200 ETOPS, B767-300ER ETOPS, DC10-30, and MD11 equipment, Global should be on the shortlist for all your charter requirements. We provide air services under ACMI agreements for international airlines around the world and provide the highest level of customer service in the industry. Our professional staff can customize a single trip or longer-term program to suit your specific needs, while our superior account management will attend to every detail of your flight, ensuring that your requirements will be clearly executed.

Global's subsidiaries have a long and proud history of serving the U.S. Military. Our

substantial fleet provides the reliable and flexible service required by the Department of Defense, the Department of Homeland Security, and other governmental agencies. We serve foreign government entities as well, such as the Canadian and British Ministries of Defense.

A selection of aircraft configuration charts can be found on the next pages and a variety of other configurations is available or can be customized to your needs. Adding to the comfort of your customers' travel, Global Aviation offers a wide range of catering selections from snacks and soda to full-service customized to your requirements.

Global is widely recognized for its leadership, stability, experience, and safety record in the worldwide passenger charter services industry.

Global Aviation Custom Passenger Charter Service

CUSTOM PASSENGER CHARTER PROVIDES
FLEXIBILITY FOR YOUR GROUP TO TRAVEL
ON YOUR SCHEDULE

The experienced professionals of Global's Charter Passenger Sales Group, along with our seasoned flight crews, mechanics, and security staff, will ensure that your expectations are exceeded through exceptional individual service and attention. Our goal is to create a tailored plan for your group's specific needs, securing your repeat business.

The Global Aviation Passenger Fleet

CHOOSE FROM FOUR AIRCRAFT OPTIONS AND CUSTOMIZE YOUR CONFIGURATION

Global's fleet includes some of the most reliable aircraft in the industry. Global, through World Airways and North American Airlines, operates B757-200 ETOPS, B767-300ER ETOPS, DC10-30, and MD11 equipment.

Contact Global Aviation for more information regarding our passenger charter service at passengersales@glah.com. Additional information can be found on our website at www.glah.com.

In addition to passenger service, Global provides custom cargo charter service through World Airways. We offer a combined all wide-body, long-range cargo fleet of aircraft including B747-400F, MD11F, and DC10-30F. Many of our customers have determined that outsourcing a portion of their wide-body cargo requirements allows them to be cost-effective, while offering significant operational and financial flexibility.

Contact Global Aviation for more information regarding our cargo charter service at cargosales@glah.com. Additional information can also be found on our website at www.glah.com.
